Coleman ISD

# Christian Family Ministries of Coleman County

## Who are we? What do we do?

We are an all volunteer 501(c)(3) nonprofit Christian organization that works to ensure that no one in Coleman County goes to bed hungry. Our board members, supporters, and volunteers come from different faiths but share the common goal to show God's love through service to our community. We are completely funded through donations and grants, and have been blessed by local churches and individuals who are regular donors. Please consider helping us by volunteering, praying and giving. All donations are tax deductible. God bless you.

## VOLUNTEER SPOTLIGHT

Alicia Nunez is a volunteer with a generous loving heart who helps with both the hot meals and the food pantry two to three times every week. She and her husband moved to Coleman in 2022 and she soon began volunteering. They have raised 6 children and now enjoy 18 grandchildren and 2 great-grandchildren. All of her family helps and gives to Christian Family Ministries in a variety of ways. Alicia said, "God inspires us all to help- a smile to someone who is having a bad day can make a difference." A favorite bible verse of Alicia's is Colossians 3:23 : "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters."

*Brookshire Grocery Company-Spring Market donated \$500 to the food pantry at their Grand Re-Opening*

Christian Family Ministries is grateful to Spring Market for their generous donation and for continuing to partner with us as we work together to feed the hungry in Coleman.

## Thank You! Panther Creek ISD

Students and staff at Panther Creek held a canned food drive competition to benefit the CFM Food Pantry.

## BackPack Program

The mission of the BackPack program is to help solve child hunger by providing nutritious and easy-to-prepare food to children to take home on weekends and school vacations when other resources are not available. Christian Family Services is proud to partner with Coleman ISD to provide these bags free of charge to the children and families. If you would like to help, you can mail a check to CFM, PO box 105, Coleman, TX 76834 and put backpack program on the memo line. Thank you for your support and prayers.

## Community Garden Workday is a Success!

We appreciate the 15 volunteers who spent a beautiful Sunday afternoon working in the Community Garden. They were treated to a hotdog lunch and dessert. The garden looks fantastic!

**Thank you** Coleman FFA vice-president, Landrie Coffman, and advisor, Jessie Webb for organizing a food drive benefitting the Loaves and Fishes hot meals.
